

NOTICE OF TESTING

In compliance with the provisions of K.S.A. 25-4610, the Cherokee County Clerk's Office will test election equipment on October 15, 2026, for use in the November 3, 2026, General Election. The ES&S DS-200 Scanner and the ES&S Express Vote ADA terminals will be tested. Terminals will be tested on the 2nd floor of the Courthouse at 110 E Maple at 8 a.m. in the Cherokee County Commission meeting room. The testing will be conducted to ascertain that the equipment will correctly count the votes cast for the General Election to be held on November 3, 2026. The press and public are invited to observe the process.

Taylor Brown

Cherokee County Clerk/Election Officer
