This amendment would clarify that only a person who is a citizen of the United States is eligible to vote in this state.</i> <i>"A vote for this proposition would clarify that only a person who is a citizen of the United States is eligible to vote in this state.</i> <i>"A vote against this proposition would make no change to the constitution of the state of Kansas, and the language concerning voter qualifications would remain the same."</i> Shall the following be adopted? "§ 1. Qualifications of electors. Every (a) No person shall be deemed a qualified elector unless such person: (1) Is a citizen of the United States who; (2) has attained the age of eighteen years; and who (3) except as provided in subsection (b) or (c), resides in the voting area in which he or she <i>such person</i> seeks to vote shall be deemed a qualified elector. (b) Laws of this state relating to voting for presidential electors and candidates for the office of president and vice-president of the United States shall comply with the laws of the United States relating thereto. A citizen of the United States, who is otherwise qualified to vote in Kansas for presidential electors and candidates for the offices of president and vice-president of the United States may vote for such officers either in person or by absentee ballot notwithstanding the fact that such person may have become a nonresident of this state if his or her <i>such person's</i> removal from this state occurs during a period in accordance with federal law next preceding such election. (c) A person who is otherwise a qualified elector may vote in the voting area of his or her <i>such person's</i> former residence either in person or by absentee ballot notwithstanding the fact that such person may have become a nonresident of such voting area during a period prescribed by law next preceding the election at which he or she <i>such person</i> seeks to vote, if his <i>such person's</i> new residence is in another voting area in the state of Kansas." ☐ Yes ☐ No
